

**INSTRUCTIONS FOR FILING LOCAL GOVERNMENT QUARTERLY INSURANCE
PREMIUM TAX RETURN (LGT-141)**

(KRS 91A.080; 806 KAR 2:090, 2:095, 2:096, and 2:097)

1. This form is to be used as a quarterly tax return to be filed with cities or counties or urban-county governments. This form must be filed within thirty (30) days after the end of the calendar quarter to which it applies.
2. Each insurer/broker must file. Group filings are not acceptable. Always give the employer identification number assigned by the IRS and other required information, including the telephone number of the person preparing the return.
3. "Premiums collected" (Column 2) means premiums actually received at an insurer's home, administrative, or regional offices during a calendar quarter. **This column is for the reporting of premiums only. Do not add the amount of taxes collected or paid to the amount reported in this column.**
4. "Tax Payable" (Column 3) is the city/county/government tax rate times the amount of premium collected. If a city/county/government has a minimum tax, you must pay at least that amount quarterly when there is a tax liability.
5. The collection fee (Column 4) shall be 15% of the tax payable or 2% of the premium, whichever is less. (The collection fee is an "add-on" and cannot be deducted from the tax payable.)
6. Column 5: When the tax payable (the amount in Column 3) is assessed upon the policyholder, Column 5 is the total of Columns 2 and 3. When the tax and collection fee are assessed upon the policyholder, Column 5 is the total of Columns 2, 3, and 4. If the tax and collection fee are paid solely by the insurer/broker, Column 5 will equal Column 2.
7. SPECIAL INSTRUCTIONS RELATED TO SURPLUS LINES BROKERS:

Separate quarterly tax returns shall be submitted to the applicable local government by the surplus lines broker. Each return submitted to the local governments shall include a listing of the insurance companies that supplied the coverage for which the premiums and taxes are being reported. This information shall be listed in the designated section of Form LGT-141. **Please note that surplus lines brokers are not required to submit a separate Form LGT-141 to each municipality for each insurance company through which insurance business was exported.**

8. Credits (Form LGT-142) are only used where all of the following are true: the risk is located within the city limits; the county in which the city is located also imposes a tax; the county issued its ordinance on or after July 13, 1990; and the county license fee or tax for the applicable category is higher than the city license fee or tax. **FOR THIS SCHEDULE**, there are 17 cities that need an LGT-142 filed - BULLITT COUNTY - Hebron Estates, Shepherdsville; HOPKINS COUNTY - Dawson Springs, Hanson, Madisonville, Nebo, St. Charles and White Plains; JEFFERSON COUNTY - Glenview Manor, Kingsley, Ten Broeck and Watterson Park; MASON COUNTY - Dover; MEADE COUNTY - Ekron; PULASKI COUNTY - Science Hill; TRIGG COUNTY - Cadiz; WAYNE COUNTY - Monticello.
